The Six Month Challenge

The world beyond the classroom is full of educational experiences waiting to be explored. Schools around the globe are re-envisioning ideal learning environments with new technologies that break down the barriers of classroom walls and create opportunities for teacher and student learning anywhere, anytime.

GSI, Your Premier Partner, is pleased to announce that beginning February 1, a new training opportunity will be available to your ActivTeachers. Now, participants can learn ALL of the ActivInspire Skills on their own time and at their own pace and with a dedicated instructor.

The Six Month Challenge will teach participants every skill from Connecting the ActivBoard to Inserting Media and Containers. Course information will also include incorporating High Yield Instructional Strategies, Technical Information, Using Blooms Taxonomy to Create Effective Questions, and More. Blogs and discussions will further increase Best Practices. Participants will collaborate across the state with other teachers,

Upon purchase, participants will be given a password to access the online class. Price Per Participant is \$199.00. District and School license are available. For more information please log on to www.ActivUser.Org
